Sign-in using Password

Enter the **Username and password** shared with you during the registration process.

Click the **Sign In** button. The Dashboard screen appears.

Note that, if there is no default organization associated to the B2B user, then the screen displays multiple organizations linked to the B2B user, as shown in the following figure.

Click the **Organization**. The Organization Dashboard appears where you can manage the accounts related to the organization, as shown in the following figure.
